

## Newsletter December 2025

We have had a great year doing lots of activities, some old favourites and some new.

We have enjoyed:

- Meals and games at the Buttercross.
- Celebrated our 10<sup>th</sup> anniversary.
- Cinema trips.
- Theatre trips to see:-
  - The lion the witch and the wardrobe.
  - We will rock you.
  - Sound of Music' which proved to be a favourite.
- We also tried crazy golf (in the dark....interesting).

**2026 will see a few changes but lots more of the fun we know and love.**

We will be introducing a Hub in Ashwell where we can meet for fun and will help everyone with saving some money, this has been offered to us by the council but we are awaiting confirmation.

We will still have our usual Buttercross, cinema and theatre trips – the first of which will be ‘Grease’ at Catmose in March.

We will also try crazy golf again but in the daylight.

We would like to thank all the team and extened support with drivers that have helped us keep going without them a lot of trips would not be possible.

We are currently struggling with funding which is why we had a fee increase this year and we continue to look for grants to keep us going, but having some support from the council will help us in 2026.

So on that note here is to a very Merry Christmas and a Happy New year.

See you all at the Buttercross on the 8<sup>th</sup> January.

Best Wishes

Tara and Jacqui
